OFFICE OF PETITIONS

In re Patent No. 7,405,070

Issue Date: July 29, 2008

Application No. 10/596,068

Filed: May 26, 2006

Attorney Docket No. 20345/0204389-US0

DECISION ON PETITION

This is a decision on the Renewed Petition Under 37 CFR 1.183 And Request For Certificate of Correction Pursuant To 37 CFR 1.322, filed on March 2, 2009, requesting correction on the Title Page of the subject patent to identify the correct assignee's name. The Request is being treated as a Petition Under 37 CFR §3.81(b). A completed Certificate of Correction Form (PTO/SB/44) was previously submitted on October 23, 2008.

The petition under 37 CFR §3.81(b) is **GRANTED**.

Petitioner requests that the present Petition was submitted to correct the assignee's name on the previously submitted PTOL 85B and that such error was inadvertent. Accordingly, petitioner requests, in effect, that the Title Page of the above-identified patent be corrected, via issuance of Certificate of Correction, to correct the assignee's name identified thereon from:

"SK Corporation"

to:

--SK Holdings Co., Ltd.--

37 CFR 3.81(b), effective June 25, 2004, reads:

*After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter.

The requisite \$100.00 fee (Fee Code 1811), as set forth under 37 CFR 1.20(a), and the requisite \$130.00 processing fee (Fee Code 1464), as set forth under 37 CFR 1.17(i), have been submitted. Further, Office assignment records are consistent with the requested correction. Accordingly, since the Petition complies with the provisions of 37 CFR 3.81(b), it is appropriate for the Office to issue a Certificate of Correction in accordance with the content of the Form PTO/SB/44 previously submitted on October 23, 2008.

There is, however, no indication that the person signing the petition was ever given a power of attorney to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney documents must be submitted.

Inquiries related this communication should be directed to the undersigned at (571)272-3213.

Any questions concerning the issuance of a Certificate of Correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a Certificate of Correction in U.S. Patent No. 7,405,070.
